RE: Accommodation for Sabbath Observance and Laws

Parent or Guardian:

Our household are members of Christ's Church and we write this letter, as support for the Children's religious observance of the Sabbath in harmony with the Old and New Testament teachings of the Bible. "**Exodus 20:8**. Remember the Sabbath day, to keep it holy." "**Mark 2:28**. Therefore the Son of man is Lord also of the Sabbath. They have been keeping it for a while now and it is a viable part of their lives. According to the Bible they are unable to perform secular activities, from sunset Friday to sunset Saturday. These secular activities such as shopping, sports, buying and selling are laid aside on the Sabbath.

The Sabbath is sacred and These hours are devoted to God. With that being said; please honor this request to observe the Sabbath. We will be happy to mediate a discussion between yourself, the kids and _____. Let's make the best out of this tough situation. Ideally, parents should strive to reach a mutually acceptable understanding about all aspects of the child's instruction in righteousness; and this is merely an attempt to address the matter in a written parenting agreement. We thank you in advance for your anticipated cooperation in this matter.

If we can be of any assistance, I will be happy to discuss any questions you may have in regard to this topic because you must have a vital role in their lives. Eldero@isoc12.org

Thank you for your cooperation,
